*"Remember to listen and watch for the signs! They are everywhere! Love never dies, and their connection to us never ends!" –Ericka*

# ABOUT

**Ericka Bousarhane** is an author, radio personality, event planner, public speaker, paranormal investigator, and professional psychic medium who is sought after around the world. Ericka has a unique gift to communicate with loved ones who have passed. She began using her abilities to help families with crime and cold case profiles. She has been featured on television programs dealing with the paranormal and interviewed by national radio stations across the country. Ericka has also hosted two radio programs: "**Whispers from the Heart Radio**" and "**Paranormal CSI Radio**" both of which have an international audience. She has been profiled on television shows featuring psychics that solve crimes and bring closure to families after death.

She is the founder of Second Sight Paranormal Investigations and Forensic Services. She adds her renowned experience as a psychic medium to help the team with hauntings, spirit communication, cleansings, education, psychic forensics, crime scenes, cold cases, and more. She currently appears on "**Second Sight Paranormal TV**".
